CROCHET PATTERN

ASSEMBLY & FINISHING TOUCHES

STEP-BY-STEP GUIDE

Make it beautiful ✦ Seam it well ✦ Enjoy the final result

1 BODY ASSEMBLY

Sew 6 (9, 12) squares together to form the body of the sweater. Use a tapestry needle and weave in all ends.

JOINING LAYOUT

— = Join with whip stitch or slip stitch

Example layout (size Small: 6 squares)

Weave in ends for a clean finish

2 NECK CLOSURE

1. Sew the squares on each side of the neck opening.
2. Create a chain closure: 20 (25, 30)" long (depending on size).

A simple chain closure keeps the perfect fit

3 CHEST PANEL

SIZE SMALL

Work Row 5 on the chest panel as follows:

- Join the 3 squares at the center.
- Skip 1 square, then join the next 2 squares.
- Repeat across the chest panel.

This creates a centered panel with open space for the chest.

SIZES MEDIUM & LARGE

Work Row 5 on the chest panel as follows:

- Join the 4 squares at the center.
- Skip 1 square, then join the next 2 squares.
- Repeat across the chest panel.

Adjust the number of squares based on your size for the best fit.
